Volunteer Instructors / Mentors

The turners below have graciously offered to open their shops to help members who want to learn to sharpen, try something new, or master a technique that just doesn't seem to be working. We all love to share.

Mike Lanahan, mikelan@aol.com, (408) 926-9330 My mentoring strengths are an introduction to safely using the lathe, individual tool use, tool sharpening, making peppermills, coring with the Oneway system, bowl turning, applying finish with an airbrush, threading, boxes, vacuum chucking, shaving and makeup brushes. With the COVID-19 pandemic raging, I can assist over Zoom or FaceTime.

Dennis Lillis, denjlillis@gmail.com, (408) 353-3821 Wood Processing and storing, tool selection and sharpening, turning technique for a variety of projects, sanding and preparation, finishing, hollowing, and coring.

Bob Bley, rbley90@gmail.com, I can help with general shop set up, dust collection, natural edge, hollowing and inlay to name a few. However, it will be virtual for the near term.

Jerry Galli, tiretycoon@sbcglobal.net, I enjoy doing pens of all kinds, spindle work, natural edge bowls, coring with the Oneway system, hollow forms with finials, lidded boxes, kitchen ware items. I can also give you guidance on how to build a small kiln for wood drying. I am willing to mentor at my home workshop when it is safe and when the COVID 19 pandemic is over.

2021 Ironman

An IRONMAN is one who successfully completes all 12 President's Challenge projects for the year. Those who meet the challenge are awarded coveted and distinctive IRONMAN name badges. A blue bar in the accompanying chart means that person has completed the project for the month indicated. You needn't be a great turner, you just need to participate. Make something in our Challenge theme and bring it to the next meeting.
