Kalia Kliban Demo - September 13th, 2021

Kalia Kliban is a woodturner/artist who uses milk paint extensively to embellish her turnings. Milk paint provides a hard durable surface but should be topped with a clear finish.

Kalia showed images of finished products indicating the pleasant look that milk paint provides.

She mixed a small batch from powder, then applied to a surface. She showed how interesting effects can be produced with textured surfaces. She showed examples of some of the products she uses.

A slide show of the demonstration can be found at the following link on the West Bay Woodturners website:

Ray announced Santa Clara High School had sent message the school district (SCUSD) cannot allow any parents on campus, thus Back-to-School night will not happen, and we cannot go there to sell the club donations. Ray collected all the club donations and will hold 'til can have an event at the school. The in-person club meetings are suspended until we can meet at the school or pick another venue. The School District policy will be reviewed as time goes on.
2. Ray announced we will be doing Zoom meetings for the next couple months.

1. Jim announced the SVW club is up to 78 members. Jim announced new member Wally Motloch. Wally has a lathe, a CNC machine, many grinders, and dust collectors in his garage.

Tom Gaston (WBW) –

1. Tom announced that since there are no new guidelines/restrictions from the State, WBW will meet September 13th at the church, upstairs. Advantage is that they can open 2 doors and windows, there's lots of space for separation. Meeting will be a Milk Paint demo.
2. Tom announced that after this September 13th meeting (second Monday), future meetings will be the third Wednesday of the month. This separates the SVW and WBW meetings more in time [not so close together]. Also, does not conflict with Monday night football.
3. Tom announced WBW will try hybrid meetings in the future. Masks are required at meetings.
4. Bob announced both clubs are invited. A notice will be sent if meeting is cancelled.

Tom Kenyon (Gluemeister) –

1. Tom replenished the CA glue inventory. He will take it to the WBW meeting. Tom will deliver if he can.

Jerry Galli (Pens for the Troops) –

1. Jerry stated we [the clubs] have committed 497 pens. Jerry has about 100 kits left. He told members to let him know if they want more. The pens need be in by the November 3rd meeting.

Volunteer Instructors / Mentors

The turners below have graciously offered to open their shops to help members who want to learn to sharpen, try something new, or master a technique that just doesn't seem to be working. We all love to share.

Mike Lanahan, mikelan@aol.com, (408) 926-9330 My mentoring strengths are an introduction to safely using the lathe, individual tool use, tool sharpening, making peppermills, coring with the Oneway system, bowl turning, applying finish with an airbrush, threading, boxes, vacuum chucking, shaving and makeup brushes. With the COVID-19 pandemic raging, I can assist over Zoom or FaceTime.

Dennis Lillis, denjlillis@gmail.com, (408) 353-3821 Wood Processing and storing, tool selection and sharpening, turning technique for a variety of projects, sanding and preparation, finishing, hollowing, and coring.

Bob Bley, rbley90@gmail.com, I can help with general shop set up, dust collection, natural edge, hollowing and inlay to name a few. However, it will be virtual for the near term.

Jerry Galli, tiretycoon@sbcglobal.net, I enjoy doing pens of all kinds, spindle work, natural edge bowls, coring with the Oneway system, hollow forms with finials, lidded boxes, kitchen ware items. I can also give you guidance on how to build a small kiln for wood drying. I am willing to mentor at my home workshop when it is safe and when the COVID 19 pandemic is over.

2021 Ironman

An IRONMAN is one who successfully completes all 12 President's Challenge projects for the year. Those who meet the challenge are awarded coveted and distinctive IRONMAN name badges. A blue bar in the accompanying chart means that person has completed the project for the month indicated. You needn't be a great turner, you just need to participate. Make something in our Challenge theme and bring it to the next meeting.
